

OLITONE

OLITONE

OLITONE est une marque turque établie dans l'industrie des produits de nettoyage et des cosmétiques depuis l'an 2000. Notre engagement envers la qualité a été concrétisé en 2014 avec l'ouverture de notre usine de production de masse. Conformément aux normes européennes et aux attentes des consommateurs contemporains, nous proposons une large gamme de produits cosmétiques.

Notre objectif est de se distinguer dans un marché concurrentiel en offrant une variété de produits, allant des soins de la peau aux cosmétiques. Au fil des années, nous avons étendu notre empreinte dans plusieurs pays, notamment en Turquie, en Italie, à Hong Kong, au Pakistan et en Afrique. Notre ambition est d'accroître notre présence mondiale en augmentant notre volume commercial.

Dans un monde en constante évolution où les tendances et les attentes évoluent rapidement, nous demeurons fidèles à nos racines naturelles. En développant des produits naturels, nous avons été honorés du titre de marque de cosmétiques la plus visionnaire de l'année. Notre engagement envers l'excellence et notre aspiration au leadership mondial continuent de guider notre parcours, ajoutant constamment de la valeur à notre marque et à nos réalisations.
